Walk behind micro scrubber

The battery-powered Nilfisk SC351 walk-behind micro scrubber delivers fast and effective single-pass hard floor cleaning and drying for small spaces. This compact floor cleaning machine was designed for daily cleaning in small areas and crowded places, such as in tight corners and around tables, shelves, and furniture. It's the quietest machine in its class and the AGM maintenance-free battery provides up to 100 minutes of scrub time on a single charge.The battery-powered Nilfisk SC351 walk-behind micro scrubber delivers fast and effective single-pass hard floor cleaning and drying for small spaces. This compact floor cleaning machine was designed for daily cleaning in small areas and crowded places, such as in tight corners and around tables, shelves, and furniture. It's the quietest machine in its class and the AGM maintenance-free battery provides up to 100 minutes of scrub time on a single charge.

Example Applications: Food services | Healthcare Facilities | Retail stores | Education facilities | Gas stations | Convenience stores | Kitchens and restaurants

Picture shown may not represent model quoted

Easily reaches hard-to-reach areas

- Fully Adjustable rotating deck provides flexibility to clean under and around obstacles

Reduces slip-and-fall incidents

- Sweeps, scrubs, and dries in a single pass
- Picks up water in all directions, including reverse, for fast dry times
- Cordless design reduces tripping hazards

Optimizes cleaning time

- AGM mainenance-free battery runs for up to 100 minutes on a single charge
- Onboard battery charger allows machine to be charged in any electrical outlet
- Operates quietly for cleaning in noise-sensitive areas

Simplifies cleaning processes

- Brush-assisted operation reduces the physical labor required
- Four operating modes and two water flow rates available to match cleaning requirements
- AGM battery, easily removable tanks, and tool-less access to all machine components minimize maintenance requirements
