Agile performance for every kind of clean

Turn the biggest challenges into small ones. Handle the most complex cleaning environments with confidence, in any industry.
Unmatched Reliability: Proven cylindrical deck design increases lifespan by up to 4x.
Easier Than Ever: All command functions are integrated into the steering wheel. Quick access allows for seamless on the go adjustments. Operator's hands are always in contact with the wheel.
Quick and Nimble: Access those hard to reach places with a best in class turning radius of 63 inches (160 cm).

Picture shown may not represent model quoted

- 6+ hours typical run time with 420 Ah battery for maximum cleaning coverage per battery charge
- Safe operations ensured by features such robust bumpers, automatic and mechanical braking, Clear-View™ design, and ergonomic operator interface
- Ease of operation via a comprehensive control panel with one button scrub system start and stop, and LCD display
- For light or heavy jobs, the dual vacuum system (optional) provides optimal performance from start to finish
- Adjustable work settings for greater task flexibility during operation on different floors
- Optional right side broom for 32" cylindrical version allows cleaning to the very edge of every wall and obstruction
- SmartFlow™ reduces detergent costs and extends time between dump-and-refill while using up to 50% less water
- Optional EcoFlex™ helps you clean optimally and reduce detergent costs by adjusting cleaning power based on what's truly needed, at the touch of a button
