Walk-Behind Sweeper

Superior Performance in Any Setting

The SW900™ Walk-Behind Battery Sweeper is designed to maximize your cleaning productivity and effectiveness in virtually any setting — indoor or outdoor, rugged industrial applications or commercial applications.

Benefits of SW900 Walk-Behind Sweepers

The SW900 is equipped with a large main broom and dual side brooms to improve your everyday cleaning productivity and results. With total control from the operator's position, a user-friendly ergonomic design and high cleaning performance, this is an ideal solution for contract cleaners, manufacturing plants, schools, warehouses and more.

- Access all easy-to-use controls from the operator position and maneuver comfortably thanks to the ergonomic handlebar with propulsion control
- Clean efficiently and effectively with direct throw design and dual side brooms for edge cleaning
- Simplify filter cleaning with the standard manual filter shaker
- Clean for up to 3 hours on a single battery charge
- Expedite service and repair with one-hand hopper removal and tool-less access
