Wet and Dry Vacuums

Versatile, Cost-Effective Cleaning

Advance VL500™ wet/dry vacuums are versatile, cost-effective, reliable floor cleaning solutions for a range of applications — from small offices to large education, hospitality, healthcare and manufacturing facilities. Squeegee standard on VL500-75; optional on VL500-55; not available on VL500-35.

Benefits of the VL500 Wet/Dry Vacuum

VL500s are available in 3 models — 9, 14, and 19 gallon tank configurations. The unique dual filtration system provides one vacuum for both wet and dry environments, without needing to change filters. Easy, reliable operation and a full line of accessories guarantee your cleaning crew will be equipped for any floor cleaning job.

- Clean in both wet and dry applications, without changing filters, thanks to the unique dual filtration system
- Simplify wet pick-up and tank emptying with the ERGO “tip n’ pour” design
- Choose from a range of standard and optional accessories so you have the right tools for the job
- Increase productivity with a powerful 1,000W motor, reliable operation and easy-to-use design
