The Trekker Transit option includes four manufacturer installed black wheelchair transportation anchors. The Trekker Transit model has been crash tested and conforms to RESNA WC19 standards and ISO 7176-19:2022.

Do not use the foot positioners on the Convaid Trekker during transit in a motor vehicle.

If the Trekker with back canes only option is selected it is the providers responsibility to ensure the seating components are WC20 compatible, mounted on the Trekker Mobility Base that conforms to RESNA WC19 and ISO 7176-19:2022 standards.

HCPCS codes are provided for your convenience and are NOT to be considered billing or legal advice. Providers are responsible for insuring that appropriate billing codes are used when submitting claims. Proper use of HCPCS codes does not insure coverage or payment. Contact the appropriate payer for coverage information.
