

## Digital blood pressure monitors

McKesson digital blood pressure monitors provide easy, accurate blood pressure monitoring away from home. These portable monitors are designed to be slim and discreet for enhanced convenience. Their expanded memory storage allows patients to review the previous readings with a touch of a button. The digital readout includes systolic, diastolic, pulse rate, time of day, and date. Digital blood pressure monitors come with AAA batteries, carrying case, detailed directions, and a warranty. Available with wrist or arm cuff.

### Features and benefits
