Rewind, reliable and easy to use

Our new range of dry canister vacuums is engineered for superior performance yet is simple to operate, getting the job done faster, comfortably, and efficiently.
VP400 is a whole new formula for simplicity. Simply outstanding performance and convenience cramped into a compact canister for time-saving productivity. With its re-designed wheelbase, it corners like it's on rails, ensuring a smooth and user-friendly operation. Top features include:

- Colored touch points guide users to where they should interact with the machine
- Easy to check and replace prefilter and HEPA filter to maintain suction power and cleaning performance
- Foot-reachable power switch and seamless cord rewind make it simple to get started and transition to other areas
- Compact and agile, well suited for effective cleaning in congested environments
- Quiet operation expands the cleaning hours without disturbing
- Simple bag replacement
- Selected models are manufactured from 38% PCR (VP400 R)
