

# ALRF49B

32" x 19.75" x 22.5" (H x W x D)

Built-in undercounter ADA compliant refrigerator-freezer in black for residential use, manual defrost with glass shelves, front lock, and door storage

**Highlights:**

Just 32" high for an easy fit under lower ADA compliant counters

Factory-installed lock offers added security

Less than 20" wide for use in space-challenged rooms

**Product Features:**

|                             |                                                                                                                                                                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant design        | 32" height allows easy installation under lower ADA compliant counters                                                                                                                                                          |
| Built-in capable            | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                       |
| Freezer compartment         | Interior freezer compartment offers convenient storage for frozen items                                                                                                                                                         |
| Door shelves                | Three removable door racks for additional storage of larger items                                                                                                                                                               |
| Adjustable shelves          | Three adjustable, spill-proof glass shelves for optimal storage in the 2.68 cu. ft. interior                                                                                                                                    |
| Fruit and vegetable crisper | Get the longest life and best taste out of produce by storing greens in a convenient slide drawer                                                                                                                               |
| Adjustable thermostat       | Dial thermostat located inside for easy temperature management                                                                                                                                                                  |
| Reversible door             | User-reversible door swing for added flexibility to best accommodate your setting                                                                                                                                               |
| 3" thick door               | Improved insulation for an efficient performance; NOTE: due to the oversized design, the door does not open in its own radius. If installing this refrigerator against a wall, please see our drawings to ensure adequate space |
