

# FF63BKBKSHH

33.5" x 23.63" x 23.5" (H x W x D)

Built-in undercounter all-refrigerator for residential use, auto defrost with a black stainless steel wrapped door, horizontal handle, and black cabinet

### Highlights:

Flexible design allows built-in or freestanding use in 24" spaces

304 grade stainless steel wrapped door in a unique black finish from our exclusive basalt collection

Fingerprint resistant door hides most smudges and is easy to clean with a dry cloth

### Product Features:

|                                    |                                                                                                                                                                                                                                  |
|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Built-in capable                   | Make the best use of space by installing your appliance under the counter and flush with other cabinets                                                                                                                          |
| Black stainless steel wrapped door | 304 grade stainless steel in a high gloss neutral finish from our basalt collection; note: due to the reflective quality of our door finish, this color may appear different under different lighting and surrounding conditions |
| Fingerprint resistant              | Door wipes clean with a dry cloth, while the dark basalt finish hides most smudges                                                                                                                                               |
| Slim undercounter dimensions       | Ideal 24" footprint offers full 5.5 cu.ft. storage capacity in a slim fit                                                                                                                                                        |
| Professional horizontal handle     | Brushed stainless steel handle with a thin 14mm diameter is mounted horizontally across the door for a sleek look                                                                                                                |
| Automatic defrost                  | Reduced maintenance with auto defrost system                                                                                                                                                                                     |
| Adjustable glass shelves           | Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up                                                                                                                    |
| Door storage                       | Store tall bottles and condiments right on the door for convenient access                                                                                                                                                        |
| Wine shelf                         | Removable scalloped wine shelf is included to store champagne and wine bottles                                                                                                                                                   |

FF63BKBIKSHH Specifications:

| Overview                   |                       |
