HC24BB

5.5" x 23.88" x 20" (H x W x D)

24 inch wide under cabinet convertible range hood for ducted or ductless use in black, made in North America

Highlights:

24 inch wide pairs well with a variety of ranges and cooktops

Made in North America in a TAA designated country

Steel construction for lasting durability

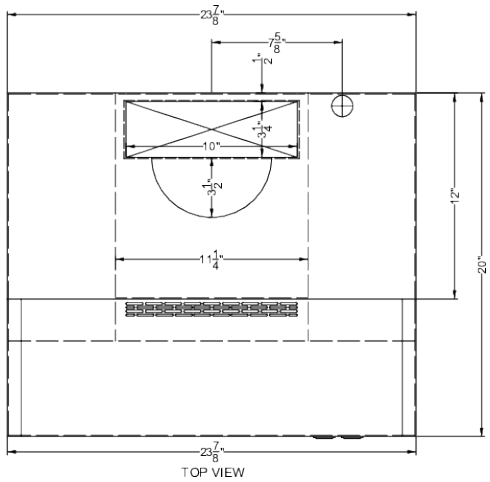

Product Features:

Under cabinet range hood	Low profile design offers classic style to finish your kitchen
24 inch width	Sized for use over 24 inch cooking surfaces (additional sizes available)
Convertible design	Can be used for ducted venting to the outside or recirculating ventilation where no external venting is possible
Black finish	Matte finish in jet black suits any kitchen space
Easy conversion	Ships pre-set for recirculating mode but can be converted in a few simple steps
Versatile top or rear exhaust	Can be connected to 3 1/4" x 10" vertical or horizontal exterior venting or 7" round vertical (transition required for both)
Powerful ventilation	Can operate at 270 CFM to ensure thorough ventilation of your cooking surface
Angled airflow	Vents are set at a slight upwards angle, ensuring smoke and odors won't be directed towards the user
Durable 21 gauge steel construction	Powder-coated finish over a 21 gauge steel design for lasting durability
