

LX114LG

19.25" x 13.75" x 17.25" (H x W x D)

BeautiFridge compact cosmetics cooler with glass door, black cabinet, lock, glossy mint-colored shelves, and digital controls set for the storage of beauty products

Highlights:

Perfectly sized to fit into bathroom fixtures, powder rooms, or vanity tables

Adjustable digital controls specially set to run at the proper storage temperature for most beauty products

Removable storage trays feature in a glossy mint green finish

Product Features:

Specially designed for cosmetic storage	Warmer temperature setting via digital controls allow the perfect storage conditions for high value creams, cosmetics, and perfumes
Ideal storage temperature	Operates between 42° and 65°F to keep cosmetics properly cooled
Digital thermostat	Adjustable thermostat located inside to prevent unsupervised temperature changes
Compact dimensions	Less than 14" wide and 18" deep to allow for placement on vanities, countertops, and similar spaces
Double pane tempered glass door	Heat resistant design provides clear view of stored products
Automatic defrost	No-frost convenience for reduced user maintenance
Factory installed lock	Keyed lock for a secure interior, with 2 keys included
Adjustable shelves in a glossy mint green finish	Two powder-coated metal shelves can be placed in a variety of positions for optimum storage, with a versatile design that allows you to display the high shelf lip or reverse to show more of your stored items
Bottle shelf	Lower shelf features a variety of cutout sizes for upright storage of serums, creams, and similar cosmetics
