

# NOVA45PDC

45.5" x 53" x 27.25" (H x W x D)

53" wide fully assembled commercial dipping cabinet made in Europe with digital thermostat, sneezeguard, and light

**Highlights:**

Fully assembled dipping cabinet with durable polycarbonate sneezeguard and light

Digital thermostat for easy temperature control, with a wide range between -13 and 23°F to accommodate ice cream, gelato, and other frozen treats

Tub holder baskets for convenient ice cream storage

**Product Features:**

|                                 |                                                                                                    |
|---------------------------------|----------------------------------------------------------------------------------------------------|
| Commercially listed             | UL-S listed to NSF-7 Standards for use in commercial establishments                                |
| Digital thermostat              | Electronic controls for more precise temperature management                                        |
| Wide temperature range          | Digital thermostat can be set between -13 and +23°F to accommodate a variety of frozen treats      |
| Sneezeguard                     | Durable polycarbonate sneezeguard is pre-installed                                                 |
| Ice cream tub holders           | Four epoxy coated wire baskets with plastic lids included to hold standard ice cream tubs in place |
| Holds 14 standard 3 gallon tubs | Unit can store 6 tubs on the floor and display an additional 8 using the provided baskets          |
| Strong insulation               | 3" thick insulation helps to ensure items stay cold                                                |
| Casters                         | Heavy duty wheels for smooth mobility (ship unassembled)                                           |
| Sliding glass lid               | Two tempered glass lids on ball-bearing glides slide open and closed easily for added efficiency   |
