

# PRO247SS

42" x 23.63" x 24.5" (H x W x D)

24" wide gas range in stainless steel with oven window, sealed burners, and continuous cast iron grates; replaces PRO246SS

**Highlights:**

- Slim 24" width for an easy fit in small kitchens
- Sealed burners for safer, cleaner cooking
- Continuous cast iron grates offer durability with a unique lightweight design

**Product Features:**

|                        |                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------|
| Sealed burners         | Four sealed burners with removable cast iron tops ensure safer, cleaner cooking                                  |
| 24" Width              | Perfectly sized for apartments and smaller kitchens                                                              |
| LP Convertible         | Unit is set for natural gas but can be converted aftermarket with the included LP kit                            |
| Stainless steel finish | Door, broiler, and control panel, and handle feature a stainless steel finish for a professional look            |
| Oven window with light | Easier monitoring of your cooking with an oven window and on/off light                                           |
| Cast iron grates       | Two sets of continuous cast iron burner grates offer durable cooking with a lightweight feel for easier cleaning |
| High output burner     | Front right burner features 12,00 BTU output for powerful cooking                                                |
| Two semi-rapid burners | Two left burners operate at 9,500 BTU to handle most heating needs                                               |
| Low output burner      | Rear right burner reaches maximum of 5,000 BTUs to allow more precise heating of sensitive items                 |
