

# UF22W

76.75" x 32.75" x 29.25" (H x W x D)

21 cu.ft. convertible frost-free freezer/refrigerator with touch control thermostat, door storage, adjustable wire racks, and garage-ready textured white exterior

**Highlights:**

- Convertible functionality allows unit to function as a refrigerator or freezer for added convenience
- Garage-ready freezer design for versatile installation
- True frost-free operation saves on maintenance by preventing icy buildup

**Product Features:**

|                                          |                                                                                                                                                                                                            |
|------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Upright Residential Freezer/Refrigerator | Full-size convertible design to hold freezer or refrigerator temperatures, ideal for bringing extra food storage to second kitchens, basements, garages, and other settings                                |
| Convertible operation                    | Capable of operating as a refrigerator or freezer for true storage flexibility                                                                                                                             |
| Garage-ready freezer design              | Durable construction allows for garage use as a freezer (ambient temperature range: 0°F to 110°F). NOTE: when used as a refrigerator, ambient temperature must be above 38°F for proper storage conditions |
| Large capacity                           | 21 cu.ft. interior accommodates plenty of food and beverage items                                                                                                                                          |
| Frost-free operation                     | True no-frost operation that eliminates the need to ever manually defrost the interior                                                                                                                     |
| Touch panel thermostat                   | Allows easy management of unit temperature, as well as changing operation between refrigerator/freezer as needed                                                                                           |
| Adjustable shelves                       | Rearrange the freezer space to fit any sized item or remove shelves for simple cleanup                                                                                                                     |
| Door storage                             | Four removable racks let you keep additional items in easy reach                                                                                                                                           |
| Storage basket                           | Lower wire drawer for additional organizing of stored contents                                                                                                                                             |

## UF22W Specifications:

### Overview

|                            |                     |
